

HIGHLY Concentrated POOL WATER TREATMENT

WHY RETHINK

Pure Pack packs a punch! Specifically formulated to fit a variety of pool maintenance needs. Each Pure Pack dissolves into a high powered concentrated treatment that Daily Dose dispenses, automatically, to keep your pool crystal-clear for up to 30-days.

Once the Pure Pack is placed into the Daily Dose, the sheet creates a concentrated formula that will be automatically dispensed into the pool using SunSmart Technology. Daily Dose will help maintain clear pool water for up to 30 days, after which, simply pour the remaining water from the Daily Dose into your pool and refill the Daily Dose with another Pure Pack.
